

AT-A-GLANCE

2024 Subaru Outback®

Base ✦ Premium ✦ Onyx Edition ✦ Limited ✦ Touring
Onyx Edition XT ✦ Limited XT ✦ Touring XT ✦ Wilderness

- Current generation Outback is the safest, roomiest, most capable Outback ever.
- Built on Subaru Global Platform for higher levels of collision protection, handling agility, quietness and ride comfort.
- Direct-injection SUBARU BOXER® 4-cyl. and 4-cyl. turbocharged engines
- Latest generation EyeSight® Driver Assist Technology standard on all models.
- Up to 33 highway MPG

New for 2024

- Onyx Edition, Onyx Edition XT and Wilderness add Reverse Automatic Braking, Harman Kardon® 576-watt-equivalent premium audio system with 12 speakers, and 360-degree heated steering wheel as standard
- Wilderness features updates grille and front and rear fascia styling and new LED fog lights

Key Facts / Mechanical

- 2.5-liter direct-injection 4-cylinder BOXER engine; 182-hp, 176 lb-ft torque
- XT and Wilderness models equipped with 2.4-liter turbo/intercooled engine; 260-hp and 277 lb-ft of torque; uses regular-grade fuel
- Lineartronic® CVT with 8-speed manual shift mode and steering wheel paddle shift control switches
- Subaru Symmetrical All-Wheel Drive with active torque split uses an electronically managed continuously variable hydraulic transfer clutch to actively control torque distribution in response to driving and road conditions
- X-MODE with Hill Descent Control for

enhanced control on inclines and slippery surfaces.

- Onyx Edition models feature dual-function X-MODE with Snow / Dirt and Deep Snow / Mud modes and Hill Descent Control for greater capability and control
- Wilderness-exclusive version of dual-function X-MODE features Snow / Dirt and Deep Snow / Mud modes, Hill Descent Control plus Low-Speed/Low Ratio Gradient Control
- 8.7-in. of ground clearance (9.5-in. ground clearance for Wilderness)
- Variable gear ratio electric power steering
- Front suspension struts feature internal rebound springs

Key Facts / Design and Function

- 75.6 cu. ft. max. cargo capacity
- Sound-insulation windshield
- LED low and high-beam headlights with High Beam Assist standard on all models
- Outback 2.5-liter models feature Active Grille Shutter system that helps to improve fuel economy by reducing wind resistance when closed
- Expanded wheel arch cladding adds to the vehicle's bold look while providing additional protection.

Key Facts / Safety

- EyeSight Driver Assist Technology includes Advanced Adaptive Cruise Control with Lane Centering; Pre-Collision Braking and Throttle Management; and Vehicle Lane Departure and Sway Warning
- Models equipped with Blind Spot Detection

with Lane Change Assist and Rear Cross Traffic Alert also feature Automatic Emergency Steering.

- Available Reverse Automatic Braking
- EyeSight Assist Monitor: head-up display with EyeSight warnings and system status projected on the windshield is standard on all trim levels
- Rear Seat Reminder standard on all models; designed to help prevent child and/or pet entrapment by alerting the driver to check the rear seat before exiting the vehicle.
- Front and rear seat passenger seatbelt warning light and chime.
- All models feature standard Automatic LED Low and High Beam Height Adjustment Control and Steering Responsive Headlights
- Available DriverFocus® Distraction Mitigation System can identify signs of driver fatigue or distraction
- Standard rear vision camera with washer
- Available Front View Monitor displays a 180-degree view of the front of the vehicle on the multimedia display by using a camera located in the front grille.
- Eight airbags: Subaru Advanced Frontal Airbags, front seat side pelvis/torso airbags, side curtain airbags with rollover sensor, passenger seat cushion airbag and driver's knee airbag.
- Brake Assist and Brake Override systems
- Outback Wilderness model with enhanced trail and outdoors capability. Highlights include: 2.4-liter turbo/intercooled engine; Wilderness-spec suspension with 9.5-in. ground clearance; increased approach, departure and breakover angles for enhanced trail driving capability; all-terrain tires; Wilderness-exclusive exterior design features and trim; exclusive version of dual-function X-MODE for enhanced capability; StarTex® upholstery with copper-color stitching; Wilderness-exclusive ladder type roof rails and crossbars; LED fog lights with hexagon pattern and more. (See full equipment list in this document.)

- SUBARU STARLINK Dual 7.0-inch Multimedia system: upper 7-inch touchscreen has on-screen controls for audio, and lower 7-inch screen has on-screen controls for climate control system and controls for EyeSight, X-MODE and other vehicle systems. Audio features include AM/FM/HD Radio, Apple CarPlay® and Android Auto™; SiriusXM (with 4-month audio and Travel Link trial subscriptions); and voice recognition for audio and climate control system
- USB-A charge input/port in front center

- console, illuminated
- 3.5mm auxiliary input jack, illuminated
- 12v power outlet in glove box
- 17-inch aluminum alloy wheels in black with machine finish
- 225/65R17 102H all-season tires
- Aerodynamic wheel arch fins (front and rear) in black
- Wheel arches and side cladding in black
- 4.2-inch LCD color combination meter display (functions vary by trim level)
- 60/40 split fold-down rear seat with center armrest
- Active Torque Vectoring
- Auto Start/Stop ignition
- Auto Vehicle Hold
- Automatic climate control system
- Brake Assist Control
- Cargo area light, LED with off-delay
- Dash panel with silver stitching
- LED headlights (low and high beam) with High Beam Assist and automatic height adjustment
- Steering-Responsive Headlights
- Power fuel door lock
- Power windows: driver and front passenger with auto up/down and pinch protection and off-delay operation
- Roof spoiler, body color with black edge and end panels
- Shift lever plate with simulated leather boot and silver stitching
- Sound insulation windshield
- Cabin air filtration system
- Cargo area tray
- Carpeted floor mats
- Dome light, LED

- Dual illuminated visor vanity mirrors
- Electronic parking brake
- Exterior power mirrors, foldable, black
- Height-adjustable driver's seat
- Illuminated glove box
- Illuminated ignition switch ring with off-delay
- LED fog lights
- Overhead console with dual LED map lights (with off-delay) and sunglasses holder
- Rear gate LED
- Rear seat heat duct outlets (floor)
- Rear Vision Camera with washer
- Remote keyless entry system with integrated ignition key
- Roof rails with tie-down points and integrated retractable cross bars in black
- Security system with engine immobilizer
- Subaru Advanced Frontal Airbags, front seat side pelvis/torso airbags, side curtain airbags with rollover sensor, passenger seat cushion airbag and driver's knee airbag
- Tilt/telescoping steering wheel with audio, Bluetooth and cruise control switches
- Tire Pressure Monitoring System with individual tire display
- Turn signals with one-touch lane changer
- Welcome lighting
- Whiplash-protection front seat head restraints, height and tilt-adjustable
- Windshield wipers: intermittent feature with variable timer

Premium adds or substitutes over Base:

- Rear center console climate control vents
- SUBARU STARLINK 11.6-inch Multimedia Plus system features an 11.6-inch high-resolution touchscreen; improved on-screen controls for audio, climate, X-MODE and

vehicle features; combination meter integration; smartphone integration with wireless Apple CarPlay, Android Auto; SiriusXM (with 4-month audio and Travel Link trial subscriptions); and Bluetooth® hands-free phone and audio

- USB-C charge port in front center console, illuminated
- USB-A and USB-C charge ports in rear center console, illuminated
- 10-way power driver's seat, including power lumbar support
- 12-volt power outlet in rear center console
- All-Weather Package (three-mode heated front seats, heated exterior mirrors and windshield wiper de-icer)
