SUBARU OF AMERICA ANNOUNCES PRICING ON 2019 CROSSTREK MODEL

- EyeSight® Driver Assist Technology available on base with CVT
- New 6.5-inch Multimedia system standard on Premium
- Additional SUBARU STARLINK™ Safety and Security services available
- EyeSight, Reverse Automatic Braking and High Beam Assist standard on Limited

Camden, N.J., Jun 21, 2018 - Subaru of America, Inc. today announced pricing on the 2019 Crosstrek line. The second Crosstrek now has Subaru's award winning EyeSight Driver Assist Technology on all trim levels and received new feature services for SUBARU STARLINK In-Vehicle Technology.

On June 1, Subaru of America (SOA) reported its 78th consecutive month of year-over-year sales increases which include month ever for Crosstrek sales. In just its third year of production, Crosstrek has become Subaru's third best-selling model. Subaru Crosstrek will be offered in three trim levels: 2.0i base, 2.0i Premium and 2.0i Limited when it arrives at retailers later this Summer. Pricing on the compact SUV begins at just \$100 more than last model year at \$21,895.

With safety as Subaru's top priority, EyeSight Driver Assist Technology is now available on all 2019 Crosstrek trim levels. Features include Pre-Collision Braking and Throttle Management; Adaptive Cruise Control; Lane Departure and Sway Warning; Lane Keep Assist. Crosstrek has been named an Insurance Institute for Highway Safety (IIHS) Top Safety Pick for seven years running (2012–2018) and the 2018 Subaru Crosstrek received the highest possible rating for front crash prevention from IIHS when equipped with EyeSight.

Every Crosstrek is equipped with standard Subaru Symmetrical All-Wheel Drive, Active Torque Vectoring and 2.0-liter 4-cylinder SUBARU BOXER® engine that delivers 152-hp and 145 lb-ft of torque. Base and Premium trim levels are offered as either manual or Lineartronic CVT (Continuously Variable Transmission). The 6-speed manual transmission models have fuel economy of 23city/29hwy/25 combined miles per gallon. For Premium and Limited trims, the CVT features a 7-speed manual mode with steering wheel paddle shifters that allow the driver to control the transmission via seven pre-set ratios. Fuel economy for CVT is 27city/33hwy/29 combined miles per gallon. CVT models have X-MODE and Hill Descent Control for enhanced performance on friction and off-road conditions.

The 2019 Crosstrek combines a bold design and highly capable chassis with 8.7-in of ground clearance for versatility in both

and city driving. The Crosstrek 2.0i base comes equipped with 17-inch alloy wheel in black with machine finish, roof rails ; side cladding. The interior has black simulated carbon fiber finish on the center dash panel as well as the front and rear d addition to a standard gloss black rear roof spoiler.

The fun-to-drive Crosstrek comes with an array of standard features including 6.5-inch STARLINK Multimedia system with Auto and Apple CarPlay™; power windows with auto-up/ auto-down on both driver and passenger sides; 60/40-split fold-c seat; power door locks and side mirrors; multi-function display with fuel economy information; remote keyless entry syster telescoping steering column; security system with engine immobilizer; carpeted floor mats; and more.

The 2019 Crosstrek 2.0i CVT model is priced at \$22,895 and now offers a new option package which includes EyeSight a high-grade instrument cluster with color LCD, overhead console shower light, and Tire Pressure Monitoring System (TPM individual tire pressure display.

Equipped with a standard 6-speed manual transmission, the 2019 Crosstrek 2.0i Premium starts at \$22,895. The Premiur the All-Weather Package (heated front seats, windshield Wiper De-Icer and heated exterior mirrors); body-color exterior n rear USB ports; On/Off automatic headlights linked to windshield wiper operation; and Welcoming lighting.
