

AT-A-GLANCE

2024 Subaru Crosstrek®

Base ✦ Premium ✦ Sport ✦ Wilderness ✦ Limited

- New third-generation Crosstrek compact SUV
- 2024 Subaru Crosstrek is the third SUV model available in the Wilderness trim, offering increased capability and unique design features (joining Forester and Outback models)
- Built on Subaru Global Platform for excellent straight-line stability, agility and ride comfort with low noise, vibration, and harshness; 10 percent greater body torsional structural rigidity than the previous generation Crosstrek thanks to revised full inner frame construction and wider application of structural adhesive.
- Expanded safety and tech for 2024 model year
- Designed as a “partner” for outdoor activities

New for 2024: Design

- Bolder, more rugged looking body with additional lower body cladding for protection in off-pavement driving situations.
- Wilderness features higher ground clearance (9.3 in. vs. 8.7 in. for other Crosstrek models), all-terrain tires, and Dual-function X-MODE for increased capability in a wider range of environmental conditions.
- Wilderness features exclusive exterior trim, including anodized copper lower body cladding for protection in off-pavement driving situations, plus exclusive interior trim, including StarTex upholstery.
- Maintains same trim exterior size as the previous generation Crosstrek for easy maneuverability in all driving situations.
- Aerodynamic elements include front wheel well air outlets that contribute to improved steering feel, and air outlets at the rear of the vehicle that contribute to improved vehicle stability. Strategically applied textures reduce air resistance (lining of front air outlets, leading edge of lower engine under cover).

Slits in front of wheel well openings reduce pressure from within the engine bay.

- Active grille shutters to help reduce fuel consumption.
- Aluminum front fenders (hood was already aluminum on previous generation Crosstrek)
- Steering-responsive LED headlights standard on all models illuminate curves as the vehicle steers into them (previously standard only for Limited).
- 2024 Crosstrek color palette offers 12 choices; availability varies with trim levels and selected options. New colors include Alpine Green, Sapphire Blue Pearl, Geyser Blue, Offshore Blue Metallic, and Sun Blaze Pearl. Continued colors include Crystal Black Silica, Ice Silver Metallic, Magnetite Gray Metallic, Pure Red, Lithium Red Pearl, Crystal White Pearl and Horizon Blue Pearl

- Crosstrek Wilderness offers nine choices: Alpine Green, Crystal Black Silica, Geyser Blue Pearl, Ice Silver Metallic, Lithium Red Pearl, Magnetite Gray Metallic, Sun Blaze Pearl, Sapphire Blue Pearl and Crystal White Pearl.

New for 2024: Engineering/Mechanical

- 10-percent greater body torsional structural rigidity thanks to full inner frame construction and wider application of structural adhesive.
- Lineartronic® CVT (continuously variable transmission) now standard for all models and featuring internal revisions (80 percent of parts) for improved performance and reduced noise. Wider ratio spread (8.1 vs. 7.0 in 2023 model) and revised manual-mode ratios for more responsive driving feel.
- With Lineartronic CVT now standard across the Crosstrek line, all models include standard EyeSight Driver Assist Technology and Subaru SI-Drive driver-selectable powertrain management system. (EyeSight was not available on models equipped with

manual transmission)

- Revisions to 2.5-liter engine (Sport, Wilderness and Limited), including new camshafts, raises torque to 178 lb-ft @ 3,700 RPM vs. 176 lb-ft @ 4,400 RPM in 2023 model for improved responsiveness.
- Revised torque-split for Standard Symmetrical All-Wheel Drive (Active AWD) for improved responsiveness and line tracing ability. As before, this system uses an electronically managed continuously variable transfer clutch that adjusts the torque distribution based on acceleration, deceleration and available traction.
- Improved X-MODE control operation; now automatically restores when speed drops back to 22 mph.
- Dual-Pinion Electric Power Steering, first used by Subaru on WRX, provides a more direct and natural steering feel and quicker response.
- Sport model gains 18-inch alloy wheels (replacing previous 17-inch alloy wheels)

New for 2024: Safety

- Full inner frame construction with reinforced structure for improved collision absorption.
- Latest EyeSight® Driver Assist Technology features a redesigned stereo camera with significantly wider field of view, an additional monocular camera, and an electric brake booster to provide improved performance in a wider range of conditions.
- Automatic Emergency Steering works with EyeSight and Blind-Spot Detection to assist with steering control to help avoid a collision at speeds less than 50 MPH. (Included on models equipped with Blind-Spot Detection with Lane Keep Assist and Rear Cross-Traffic Alert.)
- Rear Seat Reminder, now standard on all models for 2024, is designed to help prevent child and or pet entrapment by alerting the driver to check the rear seat before exiting the vehicle.
- Standard High Beam Assist (automatic high- and low-beam switching)

New for 2024: Interior Comfort and Tech

- New front seats offer improved support to pelvis and feature a more rigid mount (direct to chassis) to reduce body movement and improve ride comfort
- Quieter cabin thanks to improved sound and vibration absorption, particularly in frequencies that are more bothersome to passengers.
- Dual-zone automatic climate control system with voice control and occupant sensors for focused air control standard for all models; system uses new high-efficiency variable-capacity compressor.
- Base trim gets new standard Dual 7-inch SUBARU STARLINK® Multimedia system. Upper 7-inch touchscreen has on-screen controls for audio, and lower 7-inch screen has on-screen controls for climate control system, EyeSight, and X-MODE. Features include AM/FM stereo; Bluetooth hands-free phone and audio streaming; SiriusXM All-Access Radio and SiriusXM Travel Platinum Plan (4-months free); HD Radio®; smartphone integration with wired Apple CarPlay®, Android Auto™ connectivity and over-the-air updates.
- Premium, Sport, Wilderness and Limited trims come equipped with the 11.6-inch SUBARU STARLINK® Multimedia system with 6 speakers and wireless Apple CarPlay, plus all features of base system.
- What3Words functionality included on models with navigation.
- Wireless phone charging standard for Crosstrek Sport, Wilderness and Limited.
- New SUBARU STARLINK services include Valet Mode, Trip Log and Driving Journal, and Remote Vehicle Configuration.
- Interior design features diamond textures to convey robustness.
- Mountain motif texture in rear door sills and cargo area opening provide anti slip function.
- Sport model features new Sport cloth seating with yellow accents.
- Larger center console storage box.

Key Facts

- 2.0-liter 4-cylinder SUBARU BOXER® engine delivers 152 hp and 145 lb-ft of torque (Base and Premium trims only)
- 8.7-inch minimal ground clearance. (9.3 inch for Wilderness)
- CVT for base trim includes low shift mode, X-MODE® and Hill Descent Control.
- CVT for Premium, Sport, Wilderness and Limited has an 8-speed manual mode function with paddle shift control switches.
- Sport and Wilderness feature Dual-function X-MODE for increased capability in a wider range of environmental conditions; system increases Active All-Wheel Drive engagement and features two driver-selectable settings: SNOW/DIRT and DEEP SNOW/MUD.
- Active Torque Vectoring standard
- Now with standard Lineartronic CVT, Base and Premium trims add high-grade instrument cluster with color LCD and Tire Pressure Monitoring System with individual tire pressure display, as on other models.
- The available SUBARU STARLINK® Safety and Security Connected Services offer SOS Emergency Assistance, Enhanced Roadside Assistance, Automatic Collision Notification, Maintenance Notifications, Monthly Vehicle Health Report and Diagnostic Alerts, Stolen Vehicle Recovery Service, and Vehicle Security Alarm Notification. Available convenience features include Remote Lock/Unlock, Remote Horn and Lights and Remote Vehicle Locator.
- Available STARLINK Concierge service offers personal assistance with tasks including navigation, restaurant reservations, and scheduling service appointments.

Basic Specifications

Body:	5-door SUV
Wheelbase:	105.1 in
Length:	176.4 in

Base curb weight:	3,277 lb.
Min. road clearance:	8.7 in
Engine (Base, Premium)	2.0-liter 4-cyl Boxer, direct fuel injection

HP	152 @ 6,000 rpm
Torque	145 lb-ft @ 4,000 rpm
Engine (Sport, Wilderness, Limited)	2.5-liter 4-cyl Boxer, direct fuel injection
HP	182 @ 5,800 rpm
Torque	178 lb-ft @ 3,700 rpm
Transmission	Lineartronic CVT
EPA mpg	
City/highway/combined	2.0L: 27/34/29
	2.5L: 26/33/29
	2.5L (Wilderness): 25/29/27

Key Standard Features, Crosstrek Base trim

- 24-hour roadside assistance for new car limited warranty period
- 17-inch alloy wheels, dark gray
- 225/60 R17 all-season tires
- **Auto Stop-Start system fuel-saving technology**
- **EyeSight Driver Assist Technology includes Advanced Adaptive Cruise Control with Lane Centering; Pre-Collision Braking and Throttle Management; Lane Departure Warning, and Lane Keep Assist**
- **Lineartronic CVT, including low shift mode and X-MODE with Hill Descent Control**
- **Subaru SI-DRIVE driver-selectable powertrain management system with Intelligent and Sport modes and steering wheel control switches**
- **Active grille shutters**
- **Auto Stop-Start system fuel-saving technology**
- Active Torque Vectoring
- 3-spoke steering wheel with Steering wheel with audio, voice and vehicle control switches
- 4-wheel disc brakes with ABS, Brake Assist and Brake Override systems
- 60/40 split fold down rear seatback
- **Dual 7-inch SUBARU STARLINK® Multimedia system with AM/FM stereo; Bluetooth hands-free phone and audio streaming; multi-touch gesture control; rear-vision camera display; SiriusXM All-Access Radio and SiriusXM Travel Link (4-months free); HD Radio®; wired smartphone integration with Apple CarPlay®, Android Auto™ connectivity and over-the-air updates**
- 4-speaker audio system with off-delay

- **Dual-zone automatic climate control system with air filtration, voice control and occupant sensors for focused air control**
- Automatic power door lock / unlock system
- Auto-on/off headlights: automatic mode
- Black carbon texture interior trim
- Body-color exterior door handles
- Cargo area light with off-delay
- Cargo tie-down hooks and grocery bag hooks
- Carpeted floor mats
- Center console
- Cloth upholstery
- **Crossbar mounts (fixed position)**
- Cruise control
- Dark-tint privacy glass
- Digital clock and outside temperature gauge
- **Dual-Pinion Electric Power Steering**
- **Electronic parking brake switch**
- Eco gauge (fuel economy)
- Front seatback pocket, passenger seat
- Front door trim panel insert accent: black simulated carbon fiber finish
- Headlights/parking lights auto-off with ignition switch
- Height-adjustable driver's seat
- Instrument cluster with **color 4.2-in. color LCD multi-function display**
- **Steering-responsive LED headlights (auto-on with windshield operation)**
- **High Beam Assist**
- Incline Start Assist
- Off-delay dome light
- Overhead console with dual map lights
- Power door locks
- Power exterior mirrors
- Power windows with driver and front passenger one-touch auto-up/auto-down with off-delay and pinch protection; illuminated switches on front doors
- **Rear Seat Reminder**
- Rear window wiper with washer
- Rear vision camera **with washer**
- Rear roof spoiler, body color
- Remote keyless entry system
- Rocker spoiler, black
- Safety pedal system
- Security system with engine immobilizer
- Side cladding, black
- Subaru Advanced Frontal Airbags, front seat side pelvis/torso airbags, side curtain airbags with rollover sensor and driver's knee airbag

- Tilt/telescoping adjustable steering column
- Tire Pressure Monitoring System **with individual tire display**
- Turn signals with one-touch lane changer
- USB-A input/charge port and 3.5 mm auxiliary input jack in front center console
- Variable intermittent windshield wipers
- Vehicle Dynamics Control (VDC)
- Welcome Lighting
- Whiplash-reducing front seats

Crosstrek Premium adds over Base:

- **SUBARU STARLINK® 11.6-inch Multimedia Plus system with 6 speakers and wireless, full-screen Apple CarPlay and Android Auto (in addition to all features of the base dual 7-inch system)**
- 17-inch alloy wheels have dark gray machine finish
- 8-speed manual mode function for CVT with paddle shift controls.
- STARLINK Connected Services available
- Body-color door handles
- Dark gray metallic exterior mirrors
- Cargo area tray
- Headlights auto-on/off linked to windshield wiper operation
- High-grade instrument cluster with color 4.2-in. color LCD multi-function display
- Illuminated ignition switch ring
- Illuminated glove box
- Illuminated power window switches, all doors
- **Keyless Access with Push-Button Start**
- LED fog lights
- **Premium cloth upholstery**
- Rear seat armrest with dual cup holders
- **Roof rails, raised ladder type with black finish**
- USB-C input/charge port in front center console
- USB-A and USB-C charge ports in rear center console
- Visor vanity mirrors, dual illuminated
- Wi-Fi hotspot (available with subscription)

Option package for Premium includes:

- **10-way power driver seat with power adjustable lumbar support**
- All-Weather Package: 2-stage heated front seats, heated exterior mirrors and windshield

wiper de-icer

- Blind-Spot Detection with Lane Change Assist and Rear-Cross Traffic Alert; **includes Automatic Emergency Steering**
- Power Moonroof

Crosstrek Sport adds over Premium:

- 182-hp 2.5-liter BOXER engine
- **18-inch alloy wheels, dark gray**
- 225/55 R18 all-season tires
- **Additional sound insulation**
- **Sound-insulating windshield**
- All-Weather Package: 2-stage heated front seats, heated exterior mirrors and windshield wiper de-icer
- Carpeted floor mats with Sport logo and yellow stitching
- Cargo area cover, retractable
- Dual function X-MODE with selectable SNOW/DIRT and DEEP SNOW/MUD settings
- Exterior mirrors with integrated turn signals in Crystal Black Silica
- Leather wrapped steering wheel with yellow stitching,
- Leather wrapped shift handle
- **LED front signal, accent, and side marker lights**
- **Wireless phone charger**
- **Sport Cloth upholstery with yellow stitching and accents**
- Front door trim panel insert accent: Gunmetal
- **Exterior trim: Yellow and Crystal Black Silica**
- Yellow accent stitching on multi-function display visor, door armrests and center console storage box lid

Option package for Sport:

- Blind-Spot Detection with Lane Change Assist and Rear-Cross Traffic Alert; **includes Automatic Emergency Steering**
- Power moonroof
- **10-way** power driver seat with power adjustable lumbar support
- STARLINK Concierge and STARLINK Wi-Fi hotspot available via subscription

Wilderness adds/substitutes over Premium and Sport:

- 17-inch matte black alloy wheels
- 225/60R17 99T all-terrain tires
- 3,500-lb. towing capacity (up from 1,500 lbs in other Crosstrek models)
- Driver Assist Technology:
Blind Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert System
- Automatic Emergency Steering
- Exterior mirrors in Raster Black
- Reverse Automatic Braking (RAB) System
- All-weather floor mats with Wilderness logo
- Air-cooled transmission fluid cooler
- Increased ground clearance (9.3-in. vs. 8.7-in. for other Crosstrek models)
- Increased angles of approach and departure vs. other Crosstrek models
- Wilderness exterior anodized copper cladding and trim
- Subaru StarTex water repellent upholstery

Wilderness Option Package

- 10-way power driver's seat with 2-way lumbar
- Power Moonroof
- Harman Kardon® 10-speaker system with 432-watt equivalent amplifier

Crosstrek Limited adds over Premium:

- 182-hp 2.5-liter BOXER engine
- **10-way** power driver seat with power adjustable lumbar support
- 18-inch alloy wheels with dark gray machine finish
- Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert; **includes Automatic Emergency Steering**
- Reverse Automatic Braking
- Chrome interior door handles
- Chrome-trimmed power window switches
- Exterior mirrors with integrated turn signals
- Front door trim panel insert accent: Gunmetal
- Gray exterior trim
- Perforated leather-trimmed upholstery with orange stitching
- "Limited" carpeted floor mats
- Leather-wrapped shift handle

Option package 1 for Limited:

- Power moonroof

- Harman Kardon® 10-speaker system with 432-watt equivalent amplifier

Option package 2 for Limited

- Power moonroof
- Harman Kardon® 10-speaker system with 432-watt equivalent amplifier
- SUBARU STARLINK 11.6-inch Multimedia Plus with Navigation

Standard and optional equipment subject to change.
