SUBARU RENEWS PARTNERSHIP WITH DIRTFISH RALLY SCHOOL AS EXCLUSIVE VEHICLE PARTNER

Cherry Hill, N.J., Apr 6, 2017 - Subaru of America, Inc. announced today its continued commitment in supporting DirtFish Rally School as its exclusive OEM vehicle partner. Based in Snoqualmie, WA, the driving school provides beginners and professional drivers alike with multiple instruction courses to improve their driving safety and skills behind the wheel of Subaru vehicles. Students can choose the rear-wheel drive Subaru BRZ or WRX STI featuring Subaru Symmetrical All-Wheel Drive® as their course vehicle.

Set in the foothills of the Cascade Mountains, the school covers over 315 acres and is an ideal location for driving in various conditions. The 'Old Mill' area offers gravel, mud, and tarmac as well as open and wooded areas to diversify a student's learning experience. The school also contains a retail store, driving simulators, multiple classrooms, an 85-person capacity conference center and a collection of rare racecars.

"At Subaru, we design our vehicles to provide drivers with confidence in every sort of driving condition," stated Subaru motorsports marketing manager, Rob Weir. "Our partners at DirtFish combine the ideal driving environment with expert instruction to show students how unique and capable Subaru vehicles truly are."

Mac McInnis, general manager of DirtFish, said "Advanced car control and safety behind the wheel are two of the most important tools DirtFish students take away upon completion of any driving program. The award-winning safety standards and Symmetrical All-Wheel Drive technology makes Subaru easily the best choice for everything we teach in all weather conditions, every day of the year."
