### **SUBARU SHARE THE LOVE® EVENT RETURNS FOR ITS TENTH ANNIVERSARY IN 2017**

#### **2017 National Charitable Partners Include ASPCA®, Make-A-Wish®, Meals on Wheels America and National Park Foundation**

Cherry Hill, N.J., Oct 20, 2017 - Subaru of America, Inc. has announced the return of its annual Share the Love Event in 2017. This year marks the automaker's 50th Anniversary in the U.S. and, for the second year in a row, there will be no cap on the total donation from Subaru of America to its Share the Love charitable partners. At the culmination of this year, Subaru hopes to exceed a grand total of \$115 million donated since the creation of Share the Love to celebrate the tenth anniversary of the event.

From November 16, 2017 to January 2, 2018, Subaru will donate \$250 for every new Subaru vehicle sold or leased to the customer's choice of the following national charities with a minimum guarantee of \$250,000: The American Society for the Prevention of Cruelty to Animals® (ASPCA®), Make-A-Wish, Meals on Wheels America and National Park Foundation. Also, pre-approved Hometown Charities may be selected for donation depending on retailer participation.

"It is part of our culture at Subaru to support causes important to our employees, retailers and owners and we are proud to have continued that tradition for ten consecutive years," said Alan Bethke, senior vice president of marketing, Subaru of America Inc. "Through the Share the Love event, we are excited to continue our commitment to support our national and hometown charity partners and aim to donate \$115 million in total by the end of this year's campaign."

In addition to the four national charity partners, Subaru retailers will again select a hometown charity for their customers to support. This year, more than 660 local charitable organizations are participating in the Subaru Share the Love event. With some retailers adding their own donations to the hometown charities, total donations by Subaru and its participating retailers are expected to exceed previous years.
