Cherry Hill, N.J., Mar 1, 2018 - Subaru of America, Inc. today reported 47,249 vehicle sales for February 2018, a 3.8 percent increase over February 2017, and the best February in the history of the company. Doll, President and COO. "Special thanks to our customers, retailers, distributors and all of our colleagues who have been on this epic journey with us and for joining us as we embark on our next 50 years."

"The Crosstrek continues to exceed expectations and will continue to deliver impressive results as its availability improves," said Jeff Walters, senior vice president of sales. "Based on initial pre-orders, the Subaru Ascent, arriving this summer, will be our next success story bringing new customers the best in safety and versatility."
