SUBARU OF AMERICA, INC. RELEASES INAUGURAL CORPORATE IMPACT REPORT

Camden, N.J., Dec 20, 2019 - Subaru of America, Inc. (SOA) today released its inaugural [Corporate Impact Report](#). The report details the company's efforts to address its environmental impacts; to impact the communities where Subaru employees live, work and serve; and to make Subaru the best place to work.

"At Subaru, it is our responsibility to show love and respect to all who interact with us," said Thomas J. Doll, President and CEO of Subaru of America, Inc. "This report is our first of many and will give us a place to measure our corporate responsibility progress year over year, as well as provide transparency to our stakeholders who can challenge us to grow."

The 2019 report contains just a sampling of SOA's Corporate Responsibility stories and reflects benchmark data through the end of the 2018 calendar year. On an annual basis, SOA will reflect on how they have upheld their commitment to live out the [Subaru Love Promise](#) and be the best version of Subaru throughout the previous year. Highlights from the inaugural report include:

Our Subaru Family

- Kelley Blue Book's Most Trusted Brand for five years running.
- Continue to receive 100 percent on the Human Rights Campaign Equality Index year over year.
- Employees participated in over 170 volunteer events, donating over 7,300 hours to serve their communities.

Our Planet

- 3,900,000-quart bottles saved from the waste stream by the bulk oil and coolant programs.
- 4,500,000 pounds diverted from the landfill through a partnership with the National Park Foundation.
- 71 percent reduction per square foot of energy consumption at SOA facilities over past 15 years.

Our Community

- \$4,000,000 philanthropic support invested in Camden, NJ since 2016 and \$840,325 in grants donated to the Camden community.
- \$153,700,000 donated through Share the Love corporate and Foundation giving over the past 11 years.

- 34,000 volunteer hours donated by Subaru employees over the past 11 years.

Measuring Our Impact

- Plans to expand the returnable shipping container initiatives at the Subaru parts distribution centers by one-hundred and thirty-three percent.
- Goal to increase recycling rates at three focus national parks – Yosemite, Grand Teton, and Denali – by fifteen percent.
- Plans to plant 500,000 trees in California regions impacted by wildfires over the next four years, as part of the Forester Reforesting program.
