DINE OUT (OR IN) TO GIVE BACK – DINING OUT FOR LIFE® HOSTED BY SUBARU IS NOW MORE MEANINGFUL THAN EVER

Camden, N.J., Apr 8, 2020 - With the Covid-19 pandemic forcing dramatic changes to our lives and bringing devastating challenges to our restaurants and non-profits, the perennial restaurant fundraiser **Dining Out For Life® hosted by Subaru**, typically held on the last Thursday in April in cities across North America, will now be delayed in most cities. In Albany, Atlanta, Boulder, Denver, Philadelphia, and San Francisco, it will be held in April as a virtual fundraising event.

Dining Out For Life has become key to funding community-based health service organizations dedicated to people living with, or affected by HIV/AIDS and other chronic conditions. They are among the most vulnerable members of our community through this health crisis. The nearly 3,000 restaurants that participate need support now more than ever. Visit your community's page on diningoutforlife.com to see if the licensed organization has postponed its event date, and if so, note the new date for your community's Dining Out For Life event.

With support from Subaru of America, more than \$4.2 million dollars was raised from a single day of dining in 60 cities coast to coast last year, the most funds raised since the event began in 1991.

"A commitment to caring for the people in our communities is integral to our Subaru Love Promise, and our longstanding partnership with Dining Out for Life is a shining example of the importance of supporting causes that matter," said Alan Bethke, Senior Vice President of Marketing, Subaru of America Inc. "We are proud to help raise awareness and funds to fight against HIV/AIDS and benefit those who are impacted in our community."

Funds raised through a city's Dining Out For Life event stay in that region to provide HIV care, prevention, education, testing, counseling and other essential services to people living with or impacted by HIV/AIDS. Volunteer celebrity spokespersons include **Ted Allen**, host of Food Network's *Chopped!*, **Mondo Guerra**, designer/HIV activist/*Project Runway All-stars* winner, and **Pam Grier**, co-star on the ABC hit series *Bless This Mess*.

About Dining Out For Life: [Dining Out For Life](#) began in Philadelphia in 1991 and has since grown into an international event held across North America raising an average \$4 million annually. The idea behind the single-day event is simple and effective: Dine Out, End HIV. Each restaurant donates a percentage of the day's food sales, which goes to local organizations to fund care, prevention, education, testing, counseling and other essential HIV services.
