As the top performing carline by volume, Outback sales increased 3.5 percent in November 2020 compared with the same month a year ago. BRZ posted a 12.2 percent increase, while WRX/STI posted 14.2 percent increase in November.

“In a sales month that was shorter than usual, our retailers rose to the challenge to deliver steady sales during this time of uncertainty,” said Thomas J. Doll, President and CEO, Subaru of America, Inc. “We look forward to the December holiday season and another month of opportunity to deliver the safest, most reliable and family-friendly vehicles on the market.”

“Our Subaru retailers again delivered a successful result and brought us a step closer to exceeding our forecast of 600,000 units this year,” said Jeff Walters, Senior Vice President of Sales. “December car-buyers have an extra incentive to choose Subaru this holiday season thanks to our thirteenth annual Subaru Share the Love® Event. With every new Subaru purchased or leased at participating Subaru retailers nationwide, Subaru will donate \$250 to the customer’s choice of charity.”

Following eleven consecutive years of sales records, Subaru reported year-to-date sales of 548,384, a 14 percent decrease compared to the same period in 2019.
