"We are thrilled to receive the 2023 Kelley Blue Book 5-Year Cost to Own Award for Ascent, BRZ, Forester, Impreza and Outback from Kelley Blue Book," said Jeff Walters, President and Chief Operating Officer, Subaru of America, Inc. "These awards reinforce our commitment to providing customers with vehicles made to the highest standards of safety, reliability, dependability and value."

Kelley Blue Book, the leading provider of new and used vehicle valuation and information, created the 5-Year Cost to Own Awards to help shoppers make more informed new-car buying decisions by breaking down typical ownership cost

details and naming the brands and models with the lowest projected five-year total. This data allows consumers to see the big picture of what a new vehicle will cost them over time, helping shoppers save money by choosing a vehicle that best meets their needs and their long-term budget.

Kelley Blue Book 5-Year Cost to Own information is developed using Kelley Blue Book® Residual Values to calculate depreciation costs. Kelley Blue Book calculates total ownership costs for new vehicles by applying a sophisticated valuation methodology along with critical financial data from third-party providers.
