## SUBARU RECOGNIZED BY S&P GLOBAL MOBILITY FOR HIGHEST OVERALL LOYALTY TO DEALER

Automaker earns award for outstanding dealer loyalty for second year in a row

Camden, N.J., Jan 20, 2026 - Subaru of America, Inc. (SOA) today announced that S&P Global Mobility has recognized the automaker for achieving the Highest Overall Loyalty to Dealer for the 2025 award year, marking two consecutive years earning the honors as part of the [30th annual S&P Global Mobility Loyalty Awards](#) program. The achievement underscores continued success for Subaru in fostering strong relationships between customers and its nationwide retailer network.

**Jeff Walters, President and Chief Operating Officer, Subaru of America, Inc.:** "At Subaru, we know that loyalty is earned through trust and commitment. This award is a reflection of the work that our retailers put into building customer confidence in our vehicles and the ownership experience nationwide. For the second year in a row, we're proud to see that dedication reflected in the data, and we appreciate S&P Global Mobility for recognizing our efforts to earn customer loyalty through exceptional experiences at all stages of the car-buying journey."

S&P Global Mobility defines loyalty as a household that, after owning a new vehicle, returns to market and purchases or leases another new vehicle of the same make, model, or manufacturer. This year's awards are based on analysis of new-vehicle registrations during the 2025 award year.

Throughout the year, S&P Global Mobility reviews loyalty trends and collaborates with its customers to support owner loyalty and conquest efforts by conducting comprehensive research and analysis on automotive shopping behaviors, key market influences, and retention and conquest strategies.
