## **SUBARU CONTINUES CHARITABLE DONATIONS THROUGH CUSTOMERS WITH SHARE THE LOVE EVENT**

*Automaker Announces \$10 Million in Donations Over Two Years at Chicago Auto Show*

Chicago, Feb 11, 2010 - Subaru of America, Inc. yesterday used the opening of the Chicago International Auto Show to announce that \$5 million was donated to charity during the "Share the Love Event" campaign in 2009.

The Share the Love Event ran from November 21, 2009 – January 4, 2010 with Subaru donating \$250 for every new Subaru vehicle sold or leased (up to a maximum of \$5 million) to the customer's choice of one or more of the five charities. In 2008, the campaign raised \$4.6 million resulting in approximately \$10 million being donated over two years to the charities.

Brian Johnson, national advertising manager, Subaru of America, Inc., discussed the program at the company's Chicago Auto Show breakfast event. "We are glad to continue giving back to the community through these charitable organizations," said Johnson. "The Share the Love program once again had great results as our customers tend to support charitable causes and this was a great way to help them do that."
