### **Subaru Rally Team USA Team Driver, Dave Mirra, Captures Second Rallycross Championship Podium Finish**

Cherry Hill, N.J., Oct 3, 2010 - Subaru of America, Inc. - Rain added an additional element to this weekend's Rallycross competition at New Jersey Motorsports Park in Millville, NJ. With limited visibility, a red flag restart and his team member, Travis Pastrana out with complications with his car, Dave Mirra was still able to finish second in the A Main All-Wheel-Drive Class in his Subaru WRX STI.

"In rally you race in all conditions, rain or shine," said Mirra "I am pumped to be on the podium for a second time and equally as excited to have moved up a position. I would like to thank the fans that came out and stood in the rain to show their support, without them we would not be here."

Throughout the weekend Mirra held consistent results during the practice and qualifying rounds. Coming into the finals he was positioned second on the starting grid. Mirra took an early lead in the A Main and had completed two laps when competitor Liam Doran crashed into the tire barrier at turn two and the course had to be red flagged to reset the safety wall. After the restart Mirra fought off Liam Doran and three-time European Rallycross Champion, Jussi Pinomaki to finish second behind Tanner Faust, his highest rally car career finish ever.

Newly sanctioned by RallyCar (formerly Rally America), this all-new race series combines the action of circuit racing, off-road racing and rally competition into one exciting race. Developed from the European Rallycross, drivers line up to start all at once, piloting high-horsepower compact cars through race traffic over a challenging short course that features jumps, unbanked turns, hills and transitions between pavement, gravel and dirt.

Race finishing positions for the all-wheel drive class were as follows:

1. #34 Tanner Faust
2. #40 Dave Mirra
3. #3 Liam Doran
4. #9 Jussi Pinomaki
5. #465 Rhys Millen
6. #70 Chris Duplessis
