SAVE THE DATE FOR DINING OUT FOR LIFE® HOSTED BY SUBARU®

Dine Out, Fight AIDS- April 28, 2016

CONSHOHOCKEN, PA, Feb 11, 2016 - Help make a difference by simply enjoying a meal with family or friends during **Dining Out For Life® hosted by Subaru®**, a delicious event held on **Thursday, April 28th**. The annual event is magnificent in its simplicity: Dine at one of the 3,000 participating restaurants in nearly 60 cities across North America and that restaurant will donate a generous portion of the day's proceeds to fund HIV/AIDS care, prevention, education, testing, counseling and other essential services *in their city*.

Volunteer spokespeople include **Ted Allen**, host of Food Network's *Chopped*, actor **Pam Grier** (*Foxy Brown*, *Jackie Brown*), designer **Mondo Guerra**, winner of Lifetime's *Project Runway All-Stars*, and chef **Daisy Martinez** from Food Network's *Viva Daisy!* "I love working with (Dining Out For Life) because it's just such a cool, very low overhead operation that raises more than \$4 million for American HIV and AIDS service organizations in a single day...It also helps restaurants and chefs get new people coming in to try what they're doing. It just seems like such a win-win-win for everybody," says Ted Allen (*HIV Plus Magazine*, April 2015).

"We have been the host sponsor of Dining Out For Life for a decade; however, the struggle to fight the HIV/AIDS epidemic continues on. Subaru is proud to be part of an event that spreads awareness for such a worthy cause and also encourages people to support those who need it most in their local communities." said Alan Bethke, vice president of marketing, Subaru of America, Inc.
